£20 FINE.

A fine of £20—the minimum penalty—was imposed at Lismore Petty Sessions on a local postman, Michael Wiltoughby, for failing to deliver a number of letters on 16th June last. Some of the letters were held over from May 30th, and 3rd and 7th June. Accused pleaded guilty, but said he left letters at the office intending to deliver them on the following Monday. It is understood that a memorial will be submitted to the Lord Lieutenant, with a view to reducing the fine.

ACCIDENT AT LIMERICK JUNCTION

A rather serious accident occurred at Limerick Junction yesterday as the result of which a man named Christy Lynch, Kearney's Lane, was injured. Lynch, who was a fireman on the train, fell from the engine at the Junction and received some severe bruises. He was taken to Cork by a train which passed very soon after the occurrence, and was conveyed with all speed to the North Infirmary, where he received treatment. Though the injuries he sustains are somewhat serious, he is progressing favorably.
