ABOUT PIGS.

**BACON DEARER AND PIGS
 SCARCE.**

According to an interview in the London
 Express "the price of bacon is to go on increas-
 ing. The supply has been affected owing to a
 falling off in the importations from the United
 States, Canada, Denmark, and a falling off pigs
 Ireland and in England. Increased demand
 the United States is keeping the output there;
 Canada also is keeping more at home than usual,
 and Danish shipments have been reduced owing
 to swine fever.

WINE FEVER IN THE COUNTY.

According to the "Dublin Gazette" an out-
 break of swine fever has been notified from the
 County Borough of Limerick and two from
 Dublin, in the latter cases 27 animals were
 slaughtered. Outbreaks of sheep scab are
 notified from the Counties Cork and Louth, one
 in each county.

MR. GAPE'S CONDITION.

Mr. Gape is now out of danger and is doing
 well. This is news that will be received with
 at pleasure by the patient's large circle of
 friends.

RTH KERRY RAILWAY PROJECT

(FROM OUR CORRESPONDENT)
 At the meeting of the Kilrush Board of
 Guardians on Saturday, Mr. A. McNamara
 (Chairman), presiding, a resolution was unani-
 mously adopted asking the Chief Secretary to
 grant towards the construction of a line
 railway from Listowel to Tarbert Island, via
 townlands and Ballylongford, as the
 Guardians believe it is one of the most necessary
 proposed lines in Ireland, and to receive a
 report on the subject when he visited Kerry

RY OF A LOW-BACKED CAR

Nenagh Petty Sessions on Saturday, before
 Mr. Dunally (in the chair), Major Dease, C. E.
 O'Brien, John Hart, and Thomas Ryan, John
 O'Brien, Silver street, was charged by Mary
 O'Brien, of Ballalley Lane, with using
 abusive and threatening language towards her.
 He was charged with maliciously damaging
 her car, her property.—The complainant
 was drunk, and ran his car against
 and when remonstrated with threatened to
 kick her puss.—Mr. O'Brien, for the defen-

ex-Mayor, has sent in his resignation as a member
 of the Borough Council, and also as a member
 of the Gas Committee, to the Town Clerk. It is
 an open secret that dissatisfaction with the way
 in which public business is dealt with at the
 meetings is the cause of Mr. Barry's cessation of
 interest in public life, but the matter will
 probably come up at the Council meeting to-
 morrow night. The resignation will create a
 vacancy on the Gas Committee and also in the
 representation of the Glentworth Ward.

**THE HEALTH OF MR. W.
 HOLLIDAY.**

Mr. William Holliday, the popular and re-
 spected managing director of J. and G. Boyd
 and Co., Ltd., has gone on a prolonged tour to
 Northern Africa for the benefit of his health. He
 proposes to visit Athens, Constantinople, the
 Mediterranean and other points of interest in the
 Near East. After a sojourn at Cairo, Mr. Holliday
 intends visiting the Sinai Peninsula (Tabah), the
 scene of the threatened disturbances between
 Turkey and Britain. When he returns, as we all
 hope he will with fully restored health, our popular
 citizen should have some interesting stories to
 tell.

FUNERAL OF EX-SERGEANT, R.I.C.

The funeral of the late Mr. Michael O'Farrell,
 ex-sergeant, R.I.C., was largely attended on last
 Sunday. He was employed since he left the
 force at McDonnell's milk factory, Thomas-
 street, and the large and representative cortege
 which followed the remains testified to the
 universal respect in which the deceased was
 held. A large number of police marched after
 the remains. The chief mourners were—Henry,
 Michael, Thomas, and Martin (sons), and Martin
 and Thomas O'Farrell (brothers-in-law), Daniel
 Griffin, James Griffin, Augustin Griffin, Patrick
 and John Beegan (cousins).
