 writes to the Secretary of the Exhibition:—

"DEAR SIR, — Please accept sincerest thanks  
 of the Brothers and their pupils for the kind,  
 urbane and generous treatment we received at  
 your hands on our recent visit, which was  
 enjoyed to the full by all."

The following letter has also been received  
 from Convent of the Good Shepherd:—

"DEAR SIR, — I have pleasure in sending you  
 enclosed cheque £2 2s 6d to settle attached  
 account. I have to thank you very sincerely  
 for kindness to the poor children of our schools  
 on the occasion of their visit to the Exhibition,  
 and for which I am greatly obliged.

"With all good wishes,  
 Yours faithfully,  
 (Signed) B. HAUGH, Superioress."

## YOUNG PEOPLE'S DAY.

To-day was a "Young People's Day" at the  
 Exhibition, the Directors having made special  
 arrangements for their amusement and enter-  
 tainment. Needless to say it proved a real letter  
 day for the young folk, a great number of whom  
 were present in the afternoon not alone from  
 the city but several outlying districts. The  
 weather was beautifully fine, and so there was  
 nothing to mar the enjoyment of the occasion.  
 A half-holiday had been given in the Christian  
 Brothers Schools and other schools in town to  
 enable the pupils to visit the Exhibition.

The opening ceremony was performed at  
 twelve o'clock by the Mayor in the Main Hall.  
 The band of the Industrial School (the boys of  
 which were amongst those present) having  
 performed some choice selections.

The Mayor said it was a great pleasure to him  
 to be the means of opening the "Young People's  
 Day" at the Exhibition and he rather thought  
 that the intention of the Directors in arranging  
 that day was to show their appreciation of the  
 way in which they had been met by the Christian  
 Brothers, not alone in Limerick but many parts  
 of the country.
