QUESTION OF DRAINAGE CHARGE

At the Quarter Sessions to-day,

The Knight of Glin sued Patrick Leahy to recover six years interest on a loan of £200, being a drainage charge in respect of the lands of Ballinagow. The loan had been applied for to the Board of Works.

Mr. Phelps, instructed by Mr. Dodds, for the plaintiff.

Mr. P. Kelly, instructed by Mr. Kenny, for the defendant.

The defence was a denial of liability under the terms of the lease.

His Honor held the defendant was liable for the drainage charge which amounted to £7 per annum. In the opinion of the court the defendant never woke to a sense of his rights until he saw a copy of the lease and noticed that by a mistake of the draftsman an omission was made of the liability to pay the second charge. He gave a decree for plaintiff with costs.

Notice of appeal was given.
