RESERVIST CHARGED.

An ex Army man was charged before the magistrates yesterday with the larceny of a pair of boots from Mr. John Smyth, Patrick Street.

The evidence adduced went to show that the man, who had served in the South African Campaign, went into the shop and took the boots. He was about putting them on when captured. He now pleaded guilty and promised to make amends by purchasing the boots.

The magistrate took him at his word and adjourned the case for a week to see if he would fulfil his promise.

MEDALS FOR THE PLAYERS

(FROM OUR CORRESPONDENT.)

There is a big excursion from Kilrush to Ennis next Sunday in connection with a football match to be played between the Kilrush team and the Labasheeda 'St. Patrick's.' It is stated the season is now but opening with these contests in Clare. There are various issues to be fought out among the gaeils both for championship of the County Board as well as for the railway prizes. The manager of the West Clare Railway has given a fine and costly set of medals, while the Kilrush Tournament Club are also providing two sets of medals.

MAKING PROGRESS.

The Whole House Committee of the Corporation appointed to scrutinize the minutes of the Gas Committee for five years continued its labours last night, when the third stage in the proceedings was entered on. There was a fairly large attendance of members, and the records down to January, 1906, have now been perused.

A RESPECTED CLERIC.

(FROM OUR CORRESPONDENT.)

The Rev. Michael Hannan, C.C., left Glin to day to take up his new curacy at St. Michael's, Limerick. It is no exaggeration to say that there is very great regret felt by the parishioners at his departure, for Father Hannan since he came among them nearly two years ago had made himself loved by all. His removal will cause a vacancy on the Glin School Attendance Committee, and on the local committee of the Gaelic Association, of which he was Chairman. Father Hannan is also Chairman of the Glin Club.

BAD MILK.

Salutary Punishment.

Milk dealers were before the Yarmouth magistrates on Wednesday last, charged with selling adulterated or inferior milk. In two cases where a preservative had been used fines of £20 and costs were inflicted. Four other defendants were mulcted in £2 and costs each.

DEATH OF AN OLD CITIZEN.

Mr. John Abraham, J.P., whose death was announced in our issue of Saturday last, was interred in the family burying place, Castleconnell, on Wednesday, the remains coming from his residence, 30 Dr. Lesson street, Dublin, where he has resided for many years. The funeral was private. Mr. Abraham was Alderman for the Dock Ward for many years. He was also auditor and subsequently and to the date of his death a Director of the National Bank. He was one of Limerick's successful merchants, and was held in much respect in his native city.

TO MOTHERS.—Mrs Winslow's Soothing Syrup has been used over fifty years by millions of mothers for their children while teething with perfect success. It will relieve the poor sufferer immediately. It is pleasant to taste; it produces natural quiet sleep, by relieving the child from pain, and the little cherub awakes "as bright as button." *Dr. J. C. Winslow, 1843*

Major Fitzgibbon, at Belfast Quarter Sessions, in sentencing Peter Carbery to six months' imprisonment for house breaking, said he had almost lived his life in jail, having been sent there 33 times.
