Mr. Sheehan proposed that all future positions in connection with the Union be filled by competitive examination, the candidates to be confined to the Union district, his reason for doing so being to do away with canvassing, and and give men a free hand coming into the Board.

Mr. John Fitzgerald seconded, and would like to add to the motion the words, "and that all candidates be approved by this Board before examinations."

Alderman Donnellan moved a direct negative, and said it would be time enough to have competitive examinations for these few and small positions when they had the control of the country themselves.

Alderman Prendergast seconded, but Mr. Sheehan did not challenge a poll, and the resolution fell through.

OBITUARY.

Dr. E. M'Guire.

We regret to record the death which took place yesterday morning at his residence, Ballinrobe, Co. Mayo, of Dr. E. Maguire in the 75th year of his age. The deceased gentleman occupied the position of a medical officer of the Ballinrobe Union for a long span of years and was very highly esteemed by all classes and creeds. We tender our sympathy to his sons, Mr. J. J. Maguire and Mr. S. Maguire, of the literary staffs of the "Limerick Leader" and "Clare Champion" respectively, in their sad bereavement, all the keener coming as it does within a comparatively short time of the death of their brother, Dr. J. Maguire.

Mr. James A. Tully.

By a wide circle of friends keen sorrow is felt at the premature demise of Mr. James A. Tully, son of the late Mr. James Tully, which took place yesterday morning at St. John's Hospital. Deceased, who was only in his 34th year, had been in ill-health for a considerable time past and his death was not unexpected. In commercial life he was highly esteemed, and as a prominent member of the Gaelic League was very popular. The remains are to be removed from the hospital at 8 o'clock this evening to St. Michael's R.C. Church, and the funeral takes place to-morrow at eleven o'clock.

Mr. Jeremiah Hynes, Pennywell.

It is with deep regret that we have to announce the much lamented death of Mr. Jeremiah Hynes, Pennywell. The deceased was struck down only a week ago with an acute attack of pneumonia, and succumbed to the disease on Monday morning at 2.30. The various members of the Gaelic Athletic Association, with whom he was connected, being for very many years Captain of the O'loghaun Hurling team, will indeed mourn the early demise of one who was so widely known and respected. The funeral took place on Tuesday from St. Patrick's Church, and was one of the largest and most representative that has for a long time taken place in the locality, which testified to the very high esteem in which he was held. It was an impressive sight to see how his very many comrades crowded round to take one last look at the coffin of one who been so dearly cherished by them. To his widowed mother and family we tender our sincere sympathy.
