

HARVEST HOME AT GLENSTAL.

(FROM OUR CORRESPONDENT.)

On Thursday evening last Sir Charles and Lady Barrington gave their employes their annual Harvest Home Supper and Dance at Glenstal. The company, which included game-beaters and members of the fife band, with their friends, numbered about 170. Dancing commenced about 8, and was kept up with great spirit until 5 in the morning. Tea and refreshments were liberally supplied during the night, Sir Charles and Lady Barrington, who motored to the farm, on entering the dance room were received with ringing cheers, and took a lively interest in the dancing for some time. Sir Charles bade all welcome and hoped all would enjoy themselves, which they undoubtedly did. The interest Sir Charles took in promoting the pleasure of the company was shown by his bringing from Maryboro', Piper Fennell, who dressed in an ancient Irish costume, delighted the company by playing at intervals selections on the Irish bag-pipes.

DEATH OF MR. JOHN ENRIGHT.

We regret extremely to announce the death of a prominent and very popular gentleman Mr. John Enright, of the Shannon Hotel, Castleconnell, which took place on Sunday last, at his residence, after a somewhat lengthy illness, though the end was rather unexpected, and came as a great shock to his many friends in city and county. Mr. Enright had long been identified with angling, and had brought to the high pitch of perfection the making of fishing rods, with which the family name has been for a long span of years identified. It is hardly necessary to state that Mr. Enright enjoyed the distinction of winning the World's Championship for Fly Casting at St. Louis and Earl's Court Exhibitions. It was also his intention, we believe, had his health permitted, to compete for the Championship at the Olympic Sports. He was a son of the late Mr. Wm. Enright, Castleconnell, and was only in his 44 year. Mr. Enright was a member of the Limerick Fishery Board, and all his life took a great interest in fishing pursuits. Indeed he was an all round sportsman, and was an enthusiastic footballer, being an old member of the Garryowen Football Club. He was of a most kindly, genial, and unassuming manner, and his very premature demise has been received with deep sorrow throughout the city and many parts of Limerick, Clare, and Tipperary, where he was so highly and deservedly esteemed. We tender our sympathy to his bereaved relatives in their sorrow. The funeral, which took place this afternoon for the family burial ground, Castleconnell, was very numerously attended, many people going out from the city.

FARMER'S SAD DEATH.

(FROM OUR CORRESPONDENT.)

Kilrush, Monday.

His Honor Judge Law Smith, K.C., opened the business of the Bruff Quarter Sessions to-day. The list contains 175 civil bill entries in which defences are lodged in 50 cases; one labourer's petition, one workmen's compensation case for review, and one remitted action.

ACCIDENT.

A sailor named William Massy, of the ship "Dunleary," sustained rather serious injuries, the result of an accident on Saturday night. The vessel was leaving port, and Massy, being engaged at a windlass his foot caught in a rope and his leg coming in contact with the machinery was severely bruised. He was conveyed to Barrington's Hospital where the sufferer was detained.

CITY DROWNING ACCIDENT.

Boy the Victim.

A sad fatality occurred in the Floating Dock, on Sunday afternoon, when a boy named Frank Neiland, aged 14 years and six months, living at Charles street, was accidentally drowned.

Mr. M. J. de Courcy, City Coroner, and a jury of which Mr. K. O'Brien was foreman, held an inquest yesterday at Miss Shannon's public-house, Henry street.

Head-Constable Moore conducted the inquiry. Evidence of identification was given by John Neiland, deceased's father.

John Loughrey deposed that he resided near deceased; they were companions, and went with other boys on Sunday evening to the Floating Dock; deceased, in spite of the remonstrance of the other boys, went out on a floating raft, which he propelled about the dock for some time. Deceased attempted to jump on to another raft, and in doing so he missed his mark and fell into the water; his companions raised an alarm, and did everything they could to save him; the body was recovered 2½ hours afterwards.

Dr. Shanahan deposed there were no marks of violence on the body; death was due to drowning.

The jury returned a verdict in accordance with the medical testimony, and added a rider expressing sympathy with the relatives of the deceased.

DEATH OF MR GEORGE TROUSDELL.

We regret to record the death which took place yesterday at his residence, No. 2 Eden Terrace, of Mr. George Trousdell, at the early age of 37 years. Mr. Trousdell, who was a member of an old Limerick family, had been in failing health for some time past. The news of his demise has been received with sincere regret by a wide circle of friends, amongst whom he was a general favourite, and deep sympathy is expressed with his widow and family in their bereavement. The funeral will take place from St. Munchin's R.C. Church at twelve o'clock to-morrow (Wednesday.)
