DEATH OF THE REV. J. DOWD, B.A.

We deeply regret to record this evening the death of the Bev. James [Dowd, B.A., T.O.D. which took place at his residence, 7 Swanson Terrase, about one o'clock yesterday aftern The very and event was not unexpected. The rev. gentleman for nearly twelve months pas had been suffering from an inward complaint and for the past few months had been confine to his house. He bote his trying illows wit forbitude and resignation, and yesterday passe percefully away in the presence of his devot wife and family. His premature demise deeply regretted throughout the entire cit where the greater part-practically all-of biministerial life was spent, and where his genial kindly, and retiring disposition made extremely popular with all olasses and creed Needless to say, the same observation applies t the county, with which he was so intimately

Rev. J. Dowd hed a distinguished career in this college, Dubling shido he sattered in 1576. The obstacled a flathematical had 2 his Sciences Substates this in 1572. In 1574 he tool this B. A. degrees step Section Moderators in a special step Section Moderators in the Deviate of the Section of the Deviate of the Section of the Deviate of the Section prominently identified. He was a Diocessin Examiner under the Board of Midneation's senior Inspector in connection with this Intermediate craminations, and in addition to these he congrously interested himself in one or other of our Leal educational establishments. But tils energy and literary inlents found coopen or other of control of the Carbon and the second in the management of the Orkowinan in which position, as in all others, he won the respect and sesseem of the public at large, and, nicelless to say, of the state carrier under him, for wham he described a considerable amount of his time to municipal affairs, notably in connection with the Bree Library of which with the late Mr. James Froat, J.P., the late Father Lee, P.P., then Administrator of St. John's, and few other gentlemen, he was a meast active and extensive the management of the founders of the Institution which to-day has grown to such splendid dimensions. He was also a member of the City Technical Committee, and was a regular attendant thereast while that health permitted. As an author he wroteseveral important works, dealing with local antiquarian and other historical subjects. Amongst them were a valuable guide to St. Mary's Cathedral, "Limerick and its Sieger, a well-known and popular work, and "Round About the County Limerick," which is remarkable for deep antiquarian and archaelogical research, while it is written in his characteristically lucid style, giving a wealth of information regarding events from pra-historic portiod down to the cime it was written, or rather published. twelve years ago. Mr. Dowd was an old member of the Protestant Young Mar's Association, and a vice-president thereof, and several years ago couped the position of President et he Literary Class, with great profit to the members as yet affects of the Protestant Young Mar's Association, and a cleares, and by all classes and creds of his fellow citizen he was universally respected an eloved. His death is deeply deplored by his brethren of the clayry, and by all othe

illness, which he bore with foreiteds and cheer falless, tended him with loving care and devotion. To Mrs. Dowd and family, we, it deep sympathy in their keen surrow.

The funeral, which will be stricely private by

and acuerat, which will be stricely private by requeet, will leave for Clarina on to-morrow; 8 a.m. No flowers.

The Bishop of Limerick and Ardfert regre-that he is maddle to attend the funeral of the late Rev. James Dowd in consequence of havin to attend the Board of Nomination of Aghado Parish, Co. Kerry.

ACTION AGAINST COUNTY COUNCIL.

Action Acains County Coundit.

The County Council appealed from a decree for £25 damages for negligence, a warded to Peter Comber, a fatner iving at Castletown Conyers for personal injuries:

Mr. E. J. Pheles their riving at Castletown Conyers, for personal injuries:

Mr. E. J. Pheles their riving at Castletown Conyers, for personal injuries.

Mr. E. J. Pheles their riving at Castletown Conyers, for personal injuries.

Mr. P. J. O'sullivan isolicitors, represented the defendants.

The plaintiff stated that on the 9th July last ha was returning from Charleville in the morning a steam roller was working near Eallyagran, when the horse got frightened. He pass of in safety, but while on the return journey and passing the same place at half past seven or so the steam roller with stone breaken attached were on the side of the road. Steam was issuing from the engine, and she was making considerable noise. The horse got restive, and in trying to infa it up he was knocked down, and as well as other Injuries received a fracture of the right law. There was no person in thange of the location of the real was prayly wide at this point. He was walking on the left side of the horse at the time of the accident.

Michael Kelly, who was close to the plaintiff when the accident occurred, gave corrobox ive avidence, and added that there was no bag on the effect has when he passed the loccomotive, about a previous new page of the effect when the accident control, gave corrobox ive avidence, and added that there was no bag on the effect that when the passed the loccomotive, about a

Surgeans Kelly's evidence was to the effect Sargeane Kelly's chidence was to the effect that when he passed the locomotive, about a quarter to eight on the night in question, it was making a throbbing, burging noise. After passing he met Comber, and somewhat later he saw him sitting on the side of the road in the arms of Kelly, his face bleeding.

By Mr. Doyle—Ha was absolutely certain that there was no bag on the funnel of the engine.

that there was no bag on the funnet or the engine.

Lonstablo Donohue, who was on patrol duty with the last winness, gave similar evidence.

Dr. Moloney stated that he was dispensary medical officer at Cattleconyers. On the 8th July last he was on veation, and his duty was heing done for him by Dr. Studdert, who informed him of the injury to the plaintiff. Wher witness returned he treated him for serious injuries to the face which to an extent prevented mastication.

serious injuries to the face which to an extensive which mastication.

Mr. Doyle cited a number of decisions to establish the right of the County Council to have this locomotive on the side of the road. They were acting under statutory atthority to do what they did and on this occasion every thing was carried out in conformity with the Statute, and without ceing a nulsance; to any
