**BUDGET AND FOOTBALL  
 GROUNDS.**

Mr. Lloyd George, in a telegram in to-day's  
 "Western Mail," says under the Finance Bill,  
 as proposed to be amended on report, land used  
 bona fide for games is exempt from the un-  
 developed land duty. Cases will be decided on  
 their merits, but he sees no reason to doubt the  
 Cardiff Football Club's grounds will come within  
 the provisions.

**INQUEST IN THE CITY.**

Mr. J. B. Barry, J.P., City Coroner, held an  
 inquest this evening as to the death of John  
 Kenny, a seven weeks old infant, which died  
 yesterday at the residence of Mrs. Bridget  
 Kenny, with whom it had been at nurse for some  
 three weeks back. The evidence was that the  
 child was looked after by its mother, and the  
 nurse, and that death was due to convulsions.  
 Doctor Shanahan having been examined said it  
 was decided to have a post-mortem examination  
 and the inquiry was adjourned accordingly.  
 District Inspector White conducted the inquiry.
