Hobhouse—The pension granted to Ellen
O'Connell from the 15th January, 1909, was
suspended by the pension officer under a mis-
understanding, as to which I am inquiring, as from
the 2nd July, 1909. The case was adjudicated
by the Local Government Board on the 1st
January, 1910. Payment of pension was resumed
from the 5th inst., and the arrears of pension due to
her will be paid.

The Chairman—They cost £500? That is the
basis I have made my calculation.

said the assessor would see the lands.
