### DEATH OF MR. T. MULQUEEN.

We extremely regret to record the death which occurred last evening at his residence, Lion Mount Villas, Military Road, of Mr. Thomas Mulqueen, chief clerk and assistant auctioneer in the office of Mr. Wm. B. Pitt, auctioneer. Mr. Mulqueen, who was quite a young man, had been in failing health for some time past, and his demise, though not quite unexpected, has been heard of with keen sorrow by many friends not alone in the city but the county, where through business connections he was widely known and highly esteemed. Deep sympathy is expressed with his widow and family in their bereavement.

The funeral will leave St. Michael's R.C. Church at 3 o'clock to-morrow (Sunday) for Mount St. Lawrence Cemetery.

### BAPTIST MISSIONARY SOCIETY.

It will be seen by advertisement that an address will be delivered in the Baptist Chapel, Military Road, on Tuesday evening next, the 21st inst., by the Rev. W. A. Wills. Mr. Wills has been engaged for many years in missionary work in China, his labours embracing the period of political and religious unrest in that country known as the great Boxer Rebellion. By his tact and ability during this trying period many faithful Christian men and women were indebted to him for their lives, and his fidelity to duty earned for him the thanks of the British Government. Mr. Wills' work of Christian work and Christian suffering

The temporary breakdown in the machinery at the Electric Power Station on Saturday night, followed by the failure of the current supplied for public and private consumption, formed the subject of an inquiry by the Electric Lighting Committee last night. The Mayor presided, and there was a full attendance of members, in addition to the officials.

The matter came on in the nature of a report from Mr. McNamara, Borough Electrical Engineer, who attributed the breakdown to causes which might not have arisen.

After an exhaustive enquiry, during which some of the station staff were examined, the Committee found that the staff on duty on the occasion did all they could to avert a breakdown.

### DEATH OF A REDEMPTRIST FATHER

A report was circulated to-day that the death had occurred in Australia, where he is presently on the Irish mission, of the Rev. John Creagh, C.S.S.R., who was some four years since spiritual director of the Arch-Confraternity of the Holy Family in this city, of which he is a native, and well and favourably known to a large circle of Limerick friends. We are pleased to learn on inquiry that there is no foundation for the report in question. A death did occur, but it was that of another esteemed member of the Order.

### G.S. & W.R. EXCURSIONS.

It will be perceived by advertisement that to-morrow (Sunday) excursions will be run from Limerick to Adare, Listowel, and Tralee at 9 a.m.; Youghal, 9.30 a.m.; Ennis (for Commercial Sports), 11; Adare and Foynes, 3.30 p.m.; and Castleconnell and Killaloe, 4 p.m.

On Monday a special train will leave Limerick for Thurles Races at 10.40 a.m.

### LORD CAREW.

A typical Irishman, and a resident landlord devoted to agriculture and sport, is Lord Carew, who on Wednesday completed his half-century. It is nearing thirty years since he succeeded his father as a third holder of an Irish dignity created in 1834, which was supplemented by a United Kingdom barony four years later. He represents a junior branch of the ancient house of Carew, which has its present chief in Sir Henry Palk Carew, ninth baronet. The family traces an uninterrupted descent, in the direct male line, from Anglo-Saxon times. Lord Carew is a pastoral peer and an authority on the breeding of sborthorns, having taken many prizes with his pedigree cattle.

### IRISH POOR LAW ADMINISTRATION.

Owing to certain duties having been transferred under the Local Government Act, 1898, it is not possible, Mr. Birrell on Thursday informed Mr. Keating, to state with accuracy the amount raised locally in 1897 for Poor Law administration in Ireland as it now exists. Of the total expenditure of Boards of Guardians from revenue the approximate amount raised locally was £1,193,228 in 1897, and £817,751 in 1900. The amounts raised locally to meet the expenditure on roads, streets, and bridges are not ascertainable, but the sums so expended from revenue in 1897 and 1900 were respectively £1,050,435 and £1,079,736. In aid of this expenditure the grant made to road authorities under the Probate Duties (Scotland and Ireland) Act, 1888, amounted, in the former
