SHEEP DIPPING (IRELAND) ORDER, OF 1911.

THE Department of Agriculture and Technical Instruction for Ireland desire to draw attention to the obligation which, in pursuance of above Order, now rests on persons owning or having charge of sheep in Ireland, to cause all such animals, excepting those exempted under the Order, to be dipped in each year, between the 15th day of JUNE and the 31st day of August both dates inclusive (the "Summer Dipping Period"), and between the first day of SEPTEMBER and the 15th day of NOVEMBER, both dates inclusive (the "Autumn Dipping Period") by thorough immersion in a Sheep Dip approved by the Department Sheep Soab. The only cases in which exemption from this requirement will be allowable are those indicated in the extracts from the Order which are given at the foot of this notice.

The following is a summary of the other provisions in the Order which should also be strictly observed.

NOTICE OF INTENTION TO DIP.

For the purpose of enabling the Local Authority if they so wish, to be represented at the dipping, written notice of the intention to dip, stating the time and place of intended dipping and the approximate number of sheep intended to be dipped, must be given in each dipping period by the owner or person in charge of any sheep required to be dipped under the Order in that period, to the Sergeant of Police for the Police Sub-District in which the sheep are located. The notice must, moreover, be delivered or sent by post at such time as to be received by the local Police Sergeant five clear days at least before the intended time of dipping.

If from any cause the dipping of the sheep on the date specified in a notice becomes impracticable, no further notice shall be required if the sheep are dipped as soon after such date as is practicable.

MOVEMENT TO MARKET DURING PARTS OF PRESCRIBED DIPPING PERIODS.

Between 15th July and 31st August, both dates inclusive, in each year, any sheep sent for exposure for sale at a market, fair, or sale yard in Ireland, must be accompanied by a declaration, signed by the owner of the sheep or his authorised agent, to the effect that the sheep have been duly dipped under the Order since 14th June in that year. Between 1st September and 15th November, both dates inclusive, in each year, any sheep sent for exposure for a sale at a market, fair, or sale yard in Ireland, must be accompanied by a declaration, signed by the owner of the sheep or his authorised agent, to the effect that sheep have been dipped under the Order since 31st August in that year.

DIPPING BEFORE DIPPING IN SUMMER DIPPING PERIOD.

Sheep dipped under the Order in the summer dipping period must have been clipped previously in the same year, but lambs under 9 months old are not required so to be clipped prior to the summer dipping.

ISOLATION OF SHEEP AFTER DIPPING.

All sheep when dipped under the Order or either dipping period must be kept during the remainder of that period isolated as far as practicable from the sheep which have not been so dipped.

CLEANSING OF DIPPING PLACES.

The place used for dipping on any farm premises must be cleansed thoroughly without
