THE PROVINCIAL BANK.

Mr. E F M Melville, Manager of the Youghal Branch of the Provincial Bank for the past fourteen years, has been notified of his promotion to the branch at Limerick, his place at Youghal being filled by Mr H S Pearson, Manager of the Bandon Branch. During his time at Youghal Mr Melville has always identified himself with, and given practical advice and support to every movement started for the improvement of the town and district, and both in his public and private capacity he has made many friends by his amiable qualities. The residents will, writes a contemporary, greatly regret the departure of Mrs Melville. Until ill-health incapacitated her, she organised annually, chiefly at her own expense, a poor children's New Year's treat.

A verdict of accidental death was returned on Tuesday by a coroner's jury regarding Mr. Lindsay Campbell, the Australian aviator, who was killed while flying at Brooklands on Saturday.
