the County Surveyor), and who
eir own tools; the wages shall be 2s.
en shall be required to be at work
a.m. between the 1st April and 1st
nd for the remainder of the year at
m. Breakfast to be taken before
rk, and one hour to be allowed for

SURFACEMEN.

emen (who shall also be Labourers
ointed and dismissed by the County
shall be appointed and selected
skill, intelligence, industry,
duct. The wages of a Surfaceman
d per day. They must be able to
and keep a time-book. In Autumn
they shall act as Gangers over the
ourers, and shall reside in or close to
is of road. They must provide their
nd shovel, and shall be responsible
the property of the Council delivered
ach Surfaceman will be required to
y in the sum of £20 for his fidelity.
f work shall be the same as those
r general workmen; also the regula-
neals.

bonus not exceeding 60s may be given
the three best Surfacemen under
an, after a report to be submitted
County Surveyor to the County
id bonus to be given according to scale
n order of merit, and if sufficient
shown, no bonus to be allowed. The
wever, reserve the right to alter or
system of bonuses at any time, should
unsatisfactory. The surfacemen are,
oticeable, to be with gangs of men.

FOREMEN

ore than eighteen Foremen shall be
ho shall be appointed and dis-
the County Surveyor). Their
be the checking of the time books of
men, preparation of pay sheets and
revision, with a view to see that
e supplied when and where wanted,
rk is being properly done, and that
e County Surveyor and his Assistants
out. These Foremen shall not,
the consent of the Finance Committee,
d for more than 240 days in the year;
shall be from Four Shillings to Five
r day, according to the directions of
e Committee on the report of the
urveyor regarding the efficiency and
rvice of each Foreman. Each Foreman
quired to give security in the sum of
fidelity.

lay in each fortnight to be allowed to
an for the purpose of filling up pay-
s, and other documents.

Foreman will be required to keep a
ing forth in detail the particulars of
work, such as the hour they visited
what they were doing at the time,
te of each such visit, etc., and such
ation as may be considered necessary.
hours of work for Foremen shall be
s those prescribed for general workmen
men.
