

MENAGERIE.

people of Limerick were this week afforded the opportunity of seeing Buff Bill's famous Circus Menagerie, at present touring Ireland—an opportunity which they fully availed of, judging by the large and appreciative audience at each performance. The programme, which was a very well and carefully arranged one, included acrobatics, Hand and Foot Equilibrist (first time in Ireland), who delighted the audience with her clever performance, while Macoma, the daring lion tamer, with her elation, held the people spellbound by their performances in the lions' den. The entertainment from beginning to end met with the greatest credit on the enterprising part of Mr. Buff Bill.

THE LATE MR. THOMAS NAUGHTON.

The Chairman said they were all aware there had passed away since their last meeting a most respected member of their body, in the person of Mr Thomas Naughton, and the least they should do that day was to pay a compliment to his memory by adjourning the Council and Board meetings without transacting any business. Mr Naughton was a gentleman whom they all regretted; he was a man of truth and a thorough Nationalist, and they were all sorry to hear of his demise. He begged to propose the following resolution, with regret—"That we, the members of the Croom Board of Guardians and District Council, have heard with profound regret of the death of Mr. Thomas Naughton, Ballycasey, one of our most respected and highly esteemed colleagues, and beg to tender to his sorrowing widow and the other members of his family and relatives our heartfelt sympathy in their sad bereavement. That as a mark of respect to his memory, we now adjourn the meetings of the Board and the Council."

Mr. John Power, Chairman of the Board, associated himself with the resolution, as did Mr. Hartigan, Engineer, and Mr. Conway, Clerk, on behalf of the officials.

The meeting then adjourned without transacting any business.
