No doubt this trifling matter of detail will be satisfactorily disposed of to his satisfaction, and as the return salute he demands will also be given, what had threatened to be a serious conflict looks like being averted diplomatically and peacefully after all.

## FATAL BURNING ACCIDENT.

On Thursday evening Mary Moloney, 55, a domestic servant, employed at Cathedral Place, was engaged in some culinary operations at her residence when her clothing accidentally took fire, and she was very seriously burned before assistance arrived, and was very praiseworthy given. The woman was removed with all despatch to St. John's hospital, where she received every attention from the nurse in charge, and from Dr. McGrath, who spared no effort to relieve the sufferer. The injuries sustained were, it proved, of a fatal character, and death took place at an early hour yesterday morning. The facts of the sad case having been communicated to the City Coroner, Mr. J. F. Barry, J.P., he did not think it necessary to hold an inquest on the certificate as to the cause of death received from Dr. McGrath.

We announce with very sincere regret that Mr J. F. Windle, Board of Works Inspector, who had his arm amputated on Wednesday as the result of injuries received in a motor car accident on Easter Monday, died at Tipperary last night at 11.15 o'clock. The deceased gentleman was married to Miss Maguire, daughter of the late Mr Martin Maguire, of this city, and deep sympathy is expressed with her and her two children in their poignant grief. The late Mr Windle was a native of Tarbert, Co Kerry, and for some years was an Assistant County Surveyor in Limerick previous to his appointment as Board of Works Inspector.
