AY MORE FOR A SWEATED MADE
 R PROOF COAT THAN AN IRISH
 NE MADE PERFECTLY AT
 O'CALLAGHAN'S.

The master reported a shortage of potatoes
 for the inmates. He could not get half the
 supply contracted for. The master stated he
 had to supply bread in lieu of the potatoes.

Chairman—An order was made before that
 the master should procure a sufficient supply
 of potatoes at the contractor's expense or his
 securities.

Mr. Clancy—I can't get them. I cannot leave
 here but very seldom; nor have I money to
 pay for potatoes.

Mr. Campbell—He contracted for the supply
 of potatoes here, and he should be kept to that.

Chairman—Your argument is quite correct.
 He should supply his contract.

Mr. Clancy—I have gone down to the town
 on several occasions to try and get potatoes,
 but could only get a few stones here and there,
 not a tenth of what is required. It is too soon
 to think of the scarcity of potatoes in the
 country yet.

Mr. M'Mahon—This is how a thing like this
 is always put here. He should, I say, supply
 according to his contract.

Mr. Keane—Make his securities supply the
 contract.

Mr. M'Mahon—That's what ought to be
 done.

Chairman—The Master says he cannot get
 the potatoes. If the price was all right he
 would get lots of potatoes.

Mr. Keane—You may be sure of it. Let the
 Master get the potatoes from Ennis.

It transpired the contract for potatoes was
 12d. per stone.

Mr. Bradley—The price is over 3d. in the
 market to day.

Chairman—An order has already been made
 in this case. There is no need to make further
 orders.

There were some humorous sallies following
 an application of a man named M'Namara,
 better known as "Mack the Pedlar," for a
 crutch.

The application was granted.

The following return from the Local Govern-
 ment Board gave the number of defaulters in
 the various dispensary districts:—Carrigaholt,
 62; Cragaknock, 30; Killee, 25; Kilmahill, 22.

The report was referred to the several relieving
 officers.

A magistrate's certificate was read awarding
 Dr. J. Healy, of the Cragaknock Dispensary
 District, £1 1s. for examining a dangerous
 lunatic in the dispensary district referred to.

Payment was ordered.

Having transacted some farther routine
 business, the Board adjourned.

Funeral of Mr. P. M'Namara, Shanakyle

The funeral of the late Mr. P. M'Namara,
 Shanakyle, Corbally, whose death in St. John's
 Hospital last week we announced in a recent
 issue, was of very large proportions and was of
 a most representative character. The inter-
 ment took place in Mount St. Lawrence Ceme-
 tery and the immense train of people who fol-
 lowed the remains to their last resting place
 bore eloquent testimony to the widespread
 respect and esteem enjoyed by the deceased
 and his numerous relatives and friends. The
 chief mourners were—Mrs Hedderman and
 Mrs Bourke, Whitegate (sisters); Miss May
 Hedderman and Miss Annie M'Namara
 (nieces); Dr. John Holmes, The Crescent;

 Holmes, Barrington's Hospital; C. M'Na-
 mara, Corbally; Robert Holmes, junior,
 and Charles Holmes (cousins). The

 lute impossibility to give a full list, in-
 cluded Dr Mulcahy, T. Ryan, V. S.; Dr M'Grath,

 Bank; S. Tubridy, D. O'Donovan (Murphy and
 Co.), J. M'Namara, Shelbourne; J. M. Ginnane,

Most often these troubles come from a
 weakening of the kidneys.

The kidneys have a heavy task during a
 long life, of filtering the blood and keeping the
 body free from the irritating effects of uric
 acid. Kidney weakness usually gets little
 attention, and it is no wonder if the kidneys
 break down.

And when the kidneys are sluggish and weak,
 there is little comfort. Backache is likely to
 become a constant trouble; lameness in the
 morning, pains when stooping or lifting, rest-
 lessness at night, too frequent and painful
 passages of the kidney secretions, and persis-
 tent languor.

Rheumatic pains, stiff joints, dizzy spells and
 weakness of sight and hearing are often due to
 the excess of uric acid in the blood. So are
 gravel and stone, dropsical swellings of the
 limbs and extremities, heart weakness.

These symptoms are caused by weakness or
 diseases of the kidneys and bladder. Urinary
 waste is being left too long in the system, and
 is setting up disease in different parts of the
 body. Doan's Backache-Kidney Pills relieve
 inflammation of the kidneys and bladder; they
 keep the kidneys active, and prevent waste
 water and uric acid staying too long in the
 body. Many bad cases of stone, dropsy,
 rheumatism, lumbago, and distressing urinary
 weaknesses have been completely cured by
 Doan's Pills, even in patients between 70 and
 80 years of age.
