

It is with feelings of regret that we record the death of Mr Thomas H. W. Enright, Solicitor, which occurred at his residence Shannon Hotel, Castleconnell, on Sunday night after a brief illness. The deceased, who was in his forty-seventh year, was second son of the late Mr William Enright. He was called in the Trinity term of 1890. For a time he was connected with the firm of Messrs Croker Barrington & Sons, Dublin, Solicitors to the Great Southern & Western Railway, and subsequently he came to Limerick, where he was engaged in practice for himself. He was a graduate of Trinity College, Dublin, where he read a brilliant course. His death in the prime of life has caused a great shock to his family, and a wide circle of friends, with whom he was extremely popular for his many fine traits of character and general disposition.

The remains were interred to-day in Castleconnell Cemetery at two o'clock. The funeral was largely attended, and was a striking testimony of the popularity of the deceased gentleman.

The chief mourners were:—Messrs William Enright, Richard Enright, and Dr Geo Enright (brothers); Messrs W H Nolan, and S O'Sullivan (brothers-in-law).

The Rev S D Davis officiated.

### ATHENÆUM PICTUREDROME.

Large audiences in the Athenæum Picturedrome last night signified appreciation of the choice programme of pictures presented. One of the best dramatic films seen for a long time was that entitled "In the Stillness of the Night," an admirably drawn adventure. Another excellent picture was "Anna Karenina," a fascinating Tolstoyan drama, and one which was received with enthusiasm. The travel subject was the beauties of the Spanish Sierras, while among the comic films on exhibition were "Woo on a Cupboard" and "Grigg and Gogg," entertaining specimens of the art of the camera. During the remainder of the week visitors are promised the cream of up-to-date film productions, including a very fine drama of engrossing interest, "The World at War."

### SAD OCCURRENCE.

Yesterday morning Mrs Anne Vaughan, a resident of Francis-street, was admitted to Barrington's Hospital for surgical treatment. She was found to be suffering from a serious wound in the neck, self-inflicted, and caused, it is stated, with a razor which she used for the purpose. The woman was in a very weak and precarious state through the day, but there are hopes of her recovery.

On inquiry at Barrington's Hospital to-day, it was ascertained that Mrs Anne Vaughan, who was received as a patient yesterday, having cut her neck with a razor yesterday morning, is progressing favourably. The wound has been treated, and there is every prospect of her becoming convalescent.

### FATAL ACCIDENT.

John Nevin, a dock labourer, fell into the hold of a vessel on Saturday afternoon, coming on his head which proved to be very badly injured. He was removed to Barrington's hospital, where it was found that the injuries were more serious than was thought immediately after the accident. He lingered until the next day, his condition having become much worse, death eventually bringing relief to the poor fellow's sufferings. Mr J F Barry, J.P., City Coroner, held an inquest yesterday evening at Barrington's hospital, but after taking some formal evidence he adjourned the inquiry to next Tuesday at 4 p.m.

The adjournment is for the purpose of enabling a Board of Trade representative to attend the inquiry.
