### DEATH OF MR. EDWARD RYAN.

We regret to announce the death, which occurred last night at his residence, 28 Charlotte Quay, of Mr Edward Ryan, the oldest surviving member of the Typographical Association in this city. He had been for over forty years a valued employee of Messrs G McKern & Sons, and some years ago retired from active work for well-earned rest. He was a man highly respected, not only by his employers and fellow members of the craft, with which his name for a wide span of years was so honourably associated, but by numerous friends in private life, to whom his frank and genial manner endeared him, and now that he has passed away, one of the few remaining links with an almost passed generation has been severed, and removes from us an old and esteemed citizen. General sympathy will be expressed with his relatives in their bereavement. The remains will be removed to-night at 8.30 to St John's Cathedral, whence the funeral leaves to-morrow at 3 p.m. for Mount St. Lawrence Cemetery.
