P Walshe seconded the motion, which was d, and Mr Joseph McInerney, son of the late ber, was co-opted to the vacancy unanily, and returned thanks.

MEDICAL OFFICERSHIP TRANSFER.

Sheehan proposed, in pursuance of notice of on, that Dr P F Graham be transferred to the msary medical officership of Limerick No. 3 n District, rendered vacant by the resigna- of Dr Shanahan. He said Dr Graham, by t of seniority, was entitled to the transfer. rramgement had been come to by the medical some years ago on the question, and it was ed by the Board of Guardians, but unless wanted to treat the resolution as a scrap of r to be torn they should accede to Dr am's request.

P Bourke, in seconding the motion, ob- ed that Dr Graham's claim was deserving of recognition of the Guardians. By transfer- him to No. 3 District, he would gain nothing the standpoint of a monetary advantage, but e his duties less irksome, inasmuch as his ept district included several tenements, and as not physically able to endure the hardships ndant on the office.

Mr N Humphreys supported the resolution, remarked that he would have voted for the rfer the last day it was before the Board, had known the circumstances.

The Chairman—I think the Board ought to be imous in this matter.

Mr G Frost—Yes.

Mr McGrath proposed, and Mr T Humphreys nded, that no transfer take place, and that r terms of the advertisement be adhered to— ely, that the election take place for a medical ier for No. 3 Urban Dispensary Area.
