Limerick Officer Killed in Action.

The War Office Council has expressed sympathy
with Mr P Fawl, Emmett Place, Limerick, on the
death of his second eldest son, Lieut P J Fawl,
17 Middlesex Regiment, who died in France from
wounds on 15th inst, received in action. At the
outbreak of the war Lieut Fawl, who was in the
Treasury Dept, London, applied for and obtained
a Commission, after which he was stationed in
Chatham, and left for France only twelve weeks
ago, and was only 19½ years of age. The sym-
pathy of many friends will be extended to his
relatives in their sorrow.

contest with seven enemy machines, bringing one
down in flames.

Michael's Church Lads' Brigade. He enlisted in
the Royal Dublin Fusiliers, and served with that
regiment in South Africa, afterwards transferring
to the Cheshire regiment, now serving at the
front.

FOOD CONTROL.

The Regulations.

The new food regulations which have been
made by Order in Council under the Defense of
the Realm Act, were issued in last night's
"London Gazette."

The Order provides that the Board of Trade is
of opinion that special measures should be taken
in the interests of the public for maintaining the
supply of any article of commerce, the maintenance
of which is important, as being part of the food
supply of the country, or as being necessary for
the wants of the public. With a view to main-
taining the supply of the article, the Board may
apply, by Order, to that article any of seven
specified provisions. Any such Order may be
applied generally to any special locality, to any
special supply of any article, or to any special pro-
duce manufactured, or to dealers.
