DEATH OF MR WILLIAM FROST.

We regret to announce the death of Mr Wm Frost, which took place rather suddenly at Punchbowl, Meelick, on Sunday. The deceased, who was eldest son of Mr R Frost, B.C, Chairman of Limerick Board of Guardians, was only in his eighteenth year. He was a bright and promising youth, and his demise has occasioned widespread regret among a wide circle of friends, who tender to his father and family their deepest sympathy in the bereavement that has befallen them. The funeral took place to-day from Meelick R.C Church for Punchbowl cemetery, and was very largely attended.

Irish settlement will not be allowed so much sway in the counsels of the Government. In Ireland it is probable that some malcontent elements in the Press and public will endeavour to persuade the Nationalists that Sir Edward's inclusion portends Irish conscription, and the "Manchester Guardian's" suggestion yesterday that a statement should be officially made that this is not so, is valuable.

TIVOLI PICTURE PALACE.

The outstanding attraction at the Tivoli Picture Palace last night was the celebrated Irish drama "O'Neil of the Glen." There were large audiences at both houses, and the film, which is an all Irish production, made a very favourable impression. The drama, which is by a Limerickman, Mr W J Lysaght, is pre-eminently racy of the soil, and reproduced with the utmost fidelity. It is in every respect interesting and thoughtful in conception, and nobody should overlook seeing it. There were also shown the wonderful Bison drama "A Fight to a Finish," as well as an up-to-date and entertaining Chaplin re-issue.

POLICE COURT.

At the Police Court this morning, before the Mayor, Bridget Shaughnessy, an old offender, was charged with being drunk and disorderly on the streets last night. The accused was sentenced to a month's imprisonment, failing to pay a fine of 40s. She was also ordered to find bail for good behaviour, or undergo an additional two months imprisonment.

GLIN FAIR.

The big fair of Glin was held on Friday in fine weather. There was a big supply of stock, mostly of second class quality, for which there was much demand. Prices were the highest ever paid at a Glin fair. Incalf heifers made from £18 to £25; good strippers from £13 to £17. Calves ranged from £5 10s to £9; two-year-old heifers and bullocks from £10 10s to £14 10s. Bouhams, or young pigs made from 25s to 40s. A number of West of Ireland ponies were sold by auction at from £10 to £11 10s.

DEATH OF MR P F RYAN.

The death took place at his residence, 50 Clare-street, yesterday of Mr Patrick F Ryan, at an advanced age. The deceased had been engaged in the spirit trade in the city for some years after returning from Australia, and later he was connected with an insurance business. He was of a kindly disposition, and his death is regretted by a large number of friends and acquaintances. The remains will be taken to St John's Cathedral to-night, and at 3 o'clock to-morrow the funeral will take place for Mount St. Lawrence Cemetery,
