

Is the registered name of the wonderful new Chrome Sole Leather made by E. O'Callaghan and Son, Ltd., Tanners, of this City.

This is something far superior to ordinary sole leather. It is waterproof, and particularly suitable for golfers, farmers, and those who walk a good deal. For children there is nothing to compare with its hard wearing qualities, and, besides, it is easy and comfortable to wear.

If you want to save money when sending repairs or getting new boots, order "Callox" Soles, and see that name embossed on them.
