THE LATE MRS WELDON.

The death, which has occurred at her residence,
 Ash Hill Towers, Kilmallock, of Mrs Weldon,
 aged 93, severs one of the few remaining links
 with the generation to which she belonged. Richly
 endowed with mental gifts, unselfishness, and
 sympathy were the keynotes of her character.
 Few knew the extent of her charities, which were
 most unostentatiously given to the end. She was
 a delightful companion, and her loss to those who
 knew her well is irreparable. She was the widow
 of Mr J H Weldon, J.P, who was a prominent
 Southern Unionist.
