**LIMERICK NO 2 DISTRICT
COUNCIL.**

The monthly meeting of Limerick No 2 District Council was held on Saturday.

Mr E O'Dwyer, Vice-Chairman, presided. Other members present—James Keane, John Madden, Michael Hannan, B Skehan, J.P. Mitchell, Fitzgerald, George Frost, John Kennedy. Mr H J Guinane, Assistant Clerk, read the minutes.

HOOR OF MEETING.

Mr Madden said the Council meeting as it did at one o'clock, Summer Time Act, caused a very great inconvenience to members. There were many things to occupy members at that hour, and it would be well if a more convenient hour for meeting were arranged.

Mr O'Malley, Engineer, said the difficulty could be met by having the hour of meeting at 11 o'clock, which would be 12 o'clock by the Summer Time Act.

It was agreed that future meetings should be held at 12 o'clock, new time.

SANITARY.

The Local Government Board forwarded the report of the Medical Inspector on the sanitary state of the district. The report dealt with several matters of detail.

The report was approved, the officials concerned to be apprised of the communication.

AUDITOR'S FEE.

It was unanimously agreed to pay, at the request of the Local Government Board, ten guinea fees to the auditor in connection with the audit of the accounts during the year.
