DEATH OF MR W R HURLEY.

Very sincere regret is felt among a large circle of relatives and friends at the death of Mr Wm R Hurley, who for a number of years was charge hand of Messrs Cannock and Co's hat department at their establishment, George Street. Mr Hurley was quite in the prime of life, being in his thirty-fourth year, and his premature death, though he had been ill for some time, was more or less unexpected. His demise took place in a private hospital in Dublin on Tuesday, and the remains were conveyed to Limerick last night by the train due here at 6.30, and thence to Newcastle West. The interment taking place to-day in the family burial place, Monegaw, in which district Mr Hurley's family reside. There was a large number of friends at the railway station last night on the arrival of the train, and deep sympathy was expressed with the widow of the deceased and other relatives. A number of friends also journeyed to-day to Newcastle West to attend the funeral of one who was held in great regard by his employers and all who knew him.
