GOLD-MINE IN FOWL.

With eggs at their present price it is well worth while devoting every possible attention to poultry. Special efforts should be concentrated in promoting increased egg-laying and in safeguarding the health of the fowl. Many of the keenest poultry owners are securing an excellent return of eggs by giving their hens Ovelle Spice, of which Miss Adams, Shankill, Co Dublin, writes:—"I have found it most excellent for making hens lay." To keep the fowl in good condition and as an effective remedy for liver troubles "Shuk" is indispensable. Both these specific may be obtained from under-mentioned agent. Ovelle Spice is sold at 6d, 1s, 2s, etc, postage 4d extra. The Ovelle Spice Co, Newry, and may be obtained from J LAIRD & CO, Agents. (adv)
