shion Mart. 15 Patrick Street.
For Blouses.

the part of a London syndicate, has purchased Mr Cooper's cement works, Drinah, for £17,000. The works are well known, and are situated a mile from Wexford. The purchase include about 60 acres of land, the magnificent works, and a splendid dwelling house. There were about 100 hands employed there, and it is expected in a couple of months there will be 300 or 400 hands employed. This is a great matter for the M. I. W. C. employment is badly needed, and also for the country, where cement is needed.
