**KINGSTOWN MAIL SERVICE,**

**Regular Service Re-established**

There was no morning mail arrival at Kings-  
town yesterday. The steamer being unable to  
make the journey from Holyhead, mails and  
passengers were forwarded to Ireland via Dublin  
by London and North Western express steamer,  
The Duke of Connaught, which arrived at Kings-  
town with the evening mail and nearly 900 pas-  
sengers, conveyed the night mails from Kingstown  
to Holyhead. The Royal Mail Steamer Munster,  
which was refitted by the company's staff at Holy-  
head, will bring to-day's morning mail to Kings-  
town. She will also make the outward morning  
passage to Holyhead. This means that the regular  
service was re-established to day.

**KERRY COUNTY SECRETARYSHIP.**

Mr William F Quinlan, J.P., was unanimously  
appointed to the vacant position of County  
Secretary of Kerry, held by his late brother, Mr  
M Quinlan. Messrs Edward Darty, Assistant Co-  
Secretary, and Michael J. O'Donnell were  
applicants, but withdrew owing to the circum-  
stances of the late secretary having left a widow  
and a young family.

**DEATH OF MR JOSEPH SHIER.**

The death, which is greatly regretted, took  
place at his residence, Prospect House, Barrigone,  
on Sunday of Mr Joseph Shier, at the age of sixty-  
three years. The deceased, who was an extensive  
farmer, had not been ailing very long. He was  
held in the highest esteem in Barrigone and  
district, and this was manifested at the funeral  
which took place to the family burial ground,  
Ballingrane, on Tuesday. With his family the  
deepest sympathy is felt in the bereavement they  
have suffered.

At the meeting of the Foynes Credit Society,  
Mr C Bourke presiding, a resolution was un-  
animously adopted tendering to Mrs Joseph Shier  
and family sincere and heartfelt sympathy in their  
sorrow.

The deceased was chairman of the Society for  
many years, and was highly esteemed for his  
excellent business qualities and unvarying courtesy.  
He was a most obliging neighbour, and his death  
leaves a void in the locality not easily filled.

**CORPORATION HOUSING  
COMMITTEE.**

A meeting of the Corporation Housing Com-  
mittee was held in the Council Chamber, Town  
Hall, on Thursday night. Mr J Davener, B.C.,  
Alderman McNeice, and other members of the  
Committee were present, and the question of the  
erection of some two thousand houses with plots  
of land attached to each was considered in detail.  
In the result a sub-committee was appointed  
to report on the proposed scheme, and the Borough  
Engineer, Mr J J Pascoeke, was also asked to  
advise the Committee in a special report as to  
how best the object of the Committee in providing  
much-needed house accommodation could be had  
in the most feasible manner. The Committee  
meanwhile adjourned to the second Thursday of  
next month, when the reports in question will be  
considered.

The appeal for a fund of £10,000 as a tribute to  
the war services of Irish nurses elicited a response  
of £10,100.

**DEATH OF MISS GERTY TAYLOR.**

We regret to announce the death, which occurred  
at Barrington's Hospital on Thursday evening,  
of Miss Annie Gertrude ("Gerty") Taylor, fourth  
daughter of the late Mr David Taylor  
and Mrs Taylor, Eden Terrace. Miss  
Taylor had been but a short time ill,  
and the news of her demise will come as a  
shock to a wide circle of friends in Limerick and  
elsewhere. As a member of the County Tennis  
Club, she took a keen interest in the game, of  
which she was a brilliant player, and she was also  
a keen devotee of hockey. She was also an  
accomplished musician. Her bright and winsome  
manner endeared her to all who knew her, and  
her early and very unexpected demise has been  
heard of with sincere sorrow in the city. General  
sympathy is expressed with Mrs Taylor and her  
family in their grief. The funeral takes place  
from Eden Terrace to Kierrew (Sunday) at two  
o'clock for St Munchin's.

The New York Club has declined Sir Thomas  
Lipton's challenge for a race for the  
America Cup 1919, but if the challenge is renewed  
in 1920 it will be accepted.
