Class 69—Eight entries. Best Pure-Bred
Fresian Cow or Heifer, in calf or in milk—1, W F
O Wilkinson, St Oswald's, Ballingarry.

Cups and Special Prizes.

Maxwell Gumbleton Cup, for best Shorthorn in
Show of any age—Won by F J B Gubbins.

Kilfrush Challenge Cup, for best female Short-
horn—Won by F J B Gubbins.

ENNIS UNION.

At the weekly meeting of the Ennis Board of
Guardians yesterday, Mr J J Meade presided.
There were also present—Messrs Thos Considine,
T Purcell, and Jas Kennedy.

FINANCE.

The Clerk (Mr John Quin) reported a credit
balance of £2,301 12s 3d.

DEATH OF A MEMBER OF THE BOARD.

The Chairman referred to the death of Mr
Michael O'Neill, Rathfoland, and proposed the
following—"That we, the members of the Ennis
Board of Guardians, having heard of the much
lamented death of our esteemed colleague, Mr
Michael O'Neill, D.C, Rathfoland, Newmarket-
on-Fergus, beg to tender to his family and rela-
tives our most sincere sympathy in the irreparable
loss which they have suffered. Mr O'Neill was
one of the oldest and most respected members of
this Board, and as a mark of respect to his
memory, and as a token of sincere sympathy with
his sorrowing widow and family, we now adjourn
this meeting without transacting any business."

The Master desired to be associated with the
resolution, and to tender the sincere sympathy of
himself and his colleagues to the family of their
late esteemed member.

The Board then adjourned.

REDEMPTORIST CLERGYMAN DEAD.

Intelligence has been received locally of the
death of a Redemptorist clergyman, Rev Walter
Barry, C.S.S.R., at Wellington, New Zealand,
recently. Father Barry was stationed in Lime-
rick some years back, and he was for a time
Director of the Holy Family Confraternity. He
was a sound scholar, and a great favourite in
Limerick.

BRUFF PETTY SESSIONS.

At above Petty Sessions on Wednesday, before
Capt Wm Moloney, M.C (presiding), and Mr Wm
Cleary, Mr Davison, County Surveyor, applied
for an order to enter the land of Edward Costelloe
at Tullerboy, Athlone, for the purpose of taking
stones for the upkeep of certain roads in the
neighbourhood.

Mr Davison, County Surveyor, and Mr P Burke,
foeman, being heard,

Mr Binchy, solr, Charleville (who appeared for
Mr Costelloe), examined his client and also Mr
Power, M.R.C.V.S., to prove that the water (stated
to be from a spring) in the existing quarry was
the only supply available for the land for the use
of Mr Costelloe's cattle.

The magistrates made the order sought.
Mr P J O Sullivan, County Solicitor, appeared
for the applicant.

FIRING INTO CLARE POLICE HUT

...the intense heat made rescue extremely diff-
It was thirty minutes before the bodies be-
the airship could be removed, and they were by
beyond recognition. Ambulances of all hos-
in the city rushed to the scene, and helped ti-
jured, while the police threw a cordon round
scene, which occurred in the centre of the city. I
were injured and cut by flying glass as the r-
of the explosion, and others were badly hu-
The cause of the explosion of the gasbag in th-
has not yet been determined. The central po-
of the bank was wrecked as a result of the
plo ion. The accident occurred after banking l-
and, therefore, none of the public were insid-
building.

URBAN HOUSING IN IRELAND

The Housing Department of the Local Gov-
ernment Board for Ireland has issued the follo-
statement:—

Pending the enactment of the Housing of
Working Class (Ireland) Bill, local authorities
been encouraged to take into immediate consid-
t on the requirements of their several distr-
In a circular, dated the 31st March, 1919,
Local Government Board expressed the opi-
that "in view of the pressing urgency of
housing situation, the preparation of scheme
local authorities should not be postponed until
introduction of fresh legislation," and in a fur-
circular, dated the 5th May, detailed advice
given regarding the selection of sites, group
and aspect of houses, the maximum number to
built per acre, and the accommodation to be
vided.

Since, however, both the extent and chara-
of new schemes have been necessarily depend-
upon the shape which the Housing Bill will
finally assume in its passage through Parliam-
more especially in respect of its financial provisi-
the local authorities have not been able to pro-
vey far with their schemes up to the prese-
but now that the Bill has passed through
House of Commons, and the financial provi-
have been finally settled, no obstacles or un-
tainties remain which should debar the l-
authorities from at once proceeding to comp-
their schemes, which must be submitted to
Board before the 15th April, 1920, in orde-
participate in the very advantageous terms off-
by the State for Irish housing.

Last month the Housing Committee of
Local Government Board issued a memorandum
showing what private individuals and associati-
can do to help in solving the housing prob-
through the formation of Public Utility Soci-
In addition, draft rules and regulations relat-
to such societies, and also to housing trusts h-
been prepared, but their publication has b-
retarded owing to the dispute in the print-
trade in Dublin.

It should be borne in mind that the initial
in promoting schemes lies not with the L-
Government Board, but with the local authori-
(Corporations of County Boroughs, Urban Dist-
Councils, and Towns Commissioners), and w-
such private persons as may decide
promote Public Utility Societies or Hou-
Trusts. Only in the improbable event of l-
authorities neglecting altogether to exercise th-
rights and duties under the bill can the L-
Government Board act in their default.

STEAMER SUNK IN COLLISION.

Several Lives Lost.

A Lloyd's Rosario message says—The Bri-
steamer Clydevale arrived with her bows damaged
having been in collision with the Argen-
