### HENS LAID DOUBLE.

That the quantity of eggs can be greatly increased at a comparatively trifling expense is proved once more by the experience of Miss Julia Sullivan, Greenvinnilla, Rathmore, Co. Kerry. "My hens laid double the eggs while they were getting it," she writes. "I have found it most excellent for making hens lay," states Miss Adams, Shankhill, Co. Dublin. Ovelle Spice is recommended by the Department of Agriculture. Advantage should be taken of the high prices for eggs that will rule this winter, by giving Ovelle Spice to hens regularly from now on. To keep poultry in good condition and free from distemper and liver disorder, Shuk should also be given. It sells at 2/- and 4/-. Ovelle Spice costs 7d, 1/3, 2/6, etc (postage 9d all sizes). Both are obtainable from J. Laird & Co, O'Connell-street, Limerick; M. B. Widdess, Roche's-street, Limerick; J. & G. Boyd, William-street, Limerick; J. J. McMahon, Chemist, Limerick; P. Liston, Chemist, Limerick; A. E. Whelan, Rathkeale; or from the makers, Ovelle Spice Co., Newry. (adv)
