**DEATH OF MISS M. MULLINS**

We announce with regret the death of Miss Marie Mullins, which took place at 6 Clare View Terrace last night. The deceased, who was a bright and promising young lady, was only child of Mr E J Mullins, an official of the Limerick Gas Committee. She had only just attained her twentieth year, and had not been in the best of health for the past six months. To her father the utmost sympathy will be extended in the loss he has sustained by the demise at an early age of an affectionate daughter. The remains will be removed to St Michael's Parochial Church at 8 o'clock this evening, and the funeral will leave for Mount St Laurence Cemetery at 3 o'clock to-morrow.

**ROYAL IRISH CONSTABULARY.**

Sergeant Hawkins, recently in charge of Edward street R.I.C. Station, has retired from the Force on full pension after a service of some 37 years. He was very popular with the people in the district.

Sergeant James Pakenham, who until a short time back was stationed at Ballysimon, has also resigned after 34 years, 27 of which were passed in this county, on pension. He was a very deserving constabulary officer, and also well liked by the people.

damage sustained directly in consequence of deprivation must infallibly drive otherwise law-abiding persons into desperate courses.

We therefore pray that all compensation lawfully found to be due in respect of such criminal injuries forming part of the present state of war in Ireland shall be defrayed out of moneys provided by Parliament, instead of becoming an unreasonable burden on the ratepayers.

**POLICE AMBUSHED NEAR CASHEL.**

**Sergeant Killed**

Cashel, Friday Night.—This evening, as Sergeant Tobin and three constables were proceeding from Cashel to their station at Ballinure, they were attacked by an ambushed party midway between Lualla village and Ballinure Barracks, and Sergeant Tobin was killed, Constable Brady being wounded. The scene of the attack is about five miles from Cashel. Military and police left here about 6.30, and the motor in which District-Inspector Gilfinnan travelled returned about 8.30, carrying the lifeless body of Sergeant Tobin. The deceased leaves a widow and a young family to mourn his loss. Constable Brady volunteered for service early in the war, and was seriously wounded.
