MONEY IN FOWL.

Very handsome profits are now being made by poultry-keepers. How is it done? Simply enough. Present-day prices make fowl a splendidly paying proposition, if proper attention is given to their requirements. Many poultry-owners loose whole broods of chickens by gapes, when a single packet of Osco, costing 1s, 2s, or 3s, would have prevented even one loss. This preparation is recommended by the Department of Agriculture for gapes. Sickly fowl are often a cause of worry and loss. They need not be. A few doses of SHUK will restore any drooping chicken or young turkey to health and condition. SHUK sells at 2s and 4s. Both are obtainable (postage 9d extra all sizes) from J. Laird & Co, O'Connell-street, Limerick; M. B. Widdess, Roche's-street, Limerick; C. & G. Boyd, William-street, Limerick; J. Meehahon, Chemist, Limerick, and P. Linton, Chemist, Limerick, A. E. Whelan, Ratoath; or from the makers, O'Kelle Spice Co., Newry. (advt)
