ECONOMY.

The tendency to make the pound go not to spend money foolishly on Christmas presents has caused bus Bedford Row to be extremely brisk past week. It is an open secret that spending less money and taking more purchases. Hence, when they see Mr Cochrane Hamilton bought for the beginning of this month, they are very quickly empty their purses in his case. You may take advantage of the slump too, by shopping here, since all goods bought below to-day's values, or are such an extent as to preclude the possibility of such prices being repeated.
