Issued Yesterday

In an address issued yesterday from Dublin, Mr De Valera greets and congratulates his fellow-citizens.

He gives expression to his sense of appreciation of their sufferings, knowing how heavy the price they were being made to pay for their devotion, and assures them that those sufferings will not be in vain.

"Confident of final success," he exhorts them to face, with calm deliberation, "the new year of the Republic," so as to win permanent peace and to secure liberty in Ireland.

DEATH OF MR DONALD B MCCARTHY

We regret to announce the death of Mr Donald B McCarthy, which took place this morning at No 2 Pery Square, the residence of his parents. The deceased, who had only attained his twentieth year, had been ailing for some considerable time, and his death was not altogether unexpected. He was youngest son of Mr and Mrs Stephen McCarthy, with whom, as well as the other members of the family, sincere sympathy will be extended in their bereavement. The deceased was a bright and engaging young gentleman, and was very popular with a host of friends. The funeral is announced to take place on Monday at 11 o'clock from St Michael's Parochial Church.

The Gaiety will be closed to-night in consequence of the death of Mr Donald McCarthy.

INCIDENT AT A FUNERAL.

An Ennis message says, while the funeral of Mrs Brennan, wife of Mr Patrick Brennan, Clerk of the Limerick Union, who is "on the run" for some time, was passing through the streets on Thursday, there being an immense attendance, it was stopped in Church street by military and police, and pedestrians were not allowed proceed. One shot was at the same time fired in the air causing much alarm, and numbers hastily turned back. Only vehicles went on to the cemetery.
