that the troops are waging an unjust war on the  
Irish people, and are behaving in a manner con-  
trary to the rules of war. It alleges that the  
Crown forces are guilty of murders, arson, and  
various outrages. The Irish people the letter  
states, are engaged in a lawful effort to defend a  
sacred right; it protests against making the  
possession of firearms an offence, and says that  
prisoners are often shot without just cause, while  
orders have been issued that hostages carried  
in lorries are to be shot if the unit with which  
they are travelling should be attacked. These

## THE MAIL SERVICES.

At Cork Harbour Board yesterday, the resolu-  
tion of the Limerick Harbour Board asking the  
Government to appoint a Commission to inquire  
into the "inefficient English mail service to and  
from Ireland," was read and agreed to. Mr S H  
Newsom said that this subject had frequently  
been brought up at the Chamber of Commerce and  
Shipping. The Irish mail travelled at a very fast  
rate from Euston to Holyhead, and the mail had  
also been accelerated by sea, but the delay was  
due to the train backing into Kingsbridge, instead  
of starting from Amiens-street.
