IRISH PRISONERS.

Parole Countermanded.

Some sensation was created in Dublin last even-
 ing, when an order was issued by General
 Macready, General Officer Commanding in Ire-
 land, countermanding all parole for Irish prisoners
 until Mr Staines, who escaped from Rath Camp at
 the Carragh, returns to prison. This order does
 not, of course, apply to T.D.'s at present in
 session, who have been released unconditionally.
 It only affects releases on account of illness, or
 death in a family.

DEATH OF MR C G BROWNE.

We regret to record the death of Mr Charles
 George Browne, hardware merchant, 40 William
 street, which took place yesterday at his residence,
 Elm View, Rathbane, after a brief illness. Indeed,
 so late as Saturday last he was at business and
 apparently in his usual health. Mr Browne was
 an excellent business man, kindly and courteous
 to all with whom he came in contact, and numerous
 friends will regret to hear of his demise at the
 early age of 37 years, and sympathise with his re-
 latives in the sorrow that has so unexpectedly
 come to them. Deceased was an old member of
 the P. Y. M. A. and of the cycling club attached to
 that institution. The funeral will leave Rathbane
 at 10 o'clock to-morrow for St Munchin's.

NOTICE TO SUBSCRIBERS.

Subscribers to the CHRONICLE who
 have not paid to end of December, 1920,
 are requested to do so forthwith, and so
 facilitate closing of accounts. Attention
 to this notice will much oblige, especially
 having regard to the fact that owing to
 the increased rates of postage the cost of
 re-furnishing accounts has become very
 considerable.
