DEATH OF MISS MARJORIE DAWSON.

Deep sympathy is expressed with Mr and Mrs Herbert Dawson, 7 County View Terrace, in the very unexpected bereavement which has befallen them in the death of their eldest and dearly loved child, Marjorie Mary Harriett. The little one who was close on four and half years of age, had been but a short time ill, and passed away on Tuesday night at the residence of her parents. She was a very bright and winsome child, full of life and promise, and a great favourite with all who knew her, not alone with the little folk but the older generation as well. The funeral, which was strictly private, took place this morning to Clarina. The coffin was strewn with beautiful wreaths of natural flowers sent by many friends of the family.

RAILWAY COLLISION AT OOLA.

A railway collision, which happily had no serious consequences, took place yesterday morning at Oola station, when the 8.15 train from Limerick to Limerick Junction dashed into some waggons standing on the permanent way. The waggons were, as a result of the impact, wrecked, but the train suffered no damage, the passengers escaping with a slight shaking. Later a break down gang left Limerick for Oola to remove the wreckage, which stood on the line. Traffic was resumed later on.
