PICTURE HOUSES BALCONY PASSAGES.

TO THE EDITOR OF THE LIMERICK CHRONICLE.

DEAR SIR—I would like to draw, through the columns of your paper, the attention of the Committee who censor the films at the picture houses in this city to the blocking of the passages in the balconies with chairs.

I attended two picture houses last week, and on each occasion the balcony passage was blocked with chairs. Such a proceeding would not be allowed in any cinema in the world, and so as to ensure the safety of the public the evil ought to be remedied at once.

Yours truly,

A PICTURE-GOER
