LIMBRICK COUNTY HOME SANITATION.

At the meeting of the Limerick County Board of Health, a letter was read from the Department of Local Government and Public Health in connection with the proposed provision of a water supply and sewerage services at the County Home, at Newcastle West. The Minister stated that he was most anxious that the works contemplated and proposed should be proceeded, with and he requested that steps should be taken for the immediate issue of advertisements, so that the contract for work should be entered into as soon as possible. Meanwhile, the specification and detailed estimate should be forwarded to the Department, so that the Minister might have an opportunity of examining the details of the proposed works and of offering an opinion and recommendations thereon.

It was ordered that the conditions set forth in the letter be complied with,
