GAIETY THEATRE.

The rugged and popular star, William Russell,
once again forsakes the Western Hills and
ranches in "Money to Burn," and is a highly
successful member of the financial world, whose
speculations are favoured by fortune. This enter-
taining William Fox production will be seen at
the Gaiety Cinema on Monday and Tuesday next.
It is a very fascinating and thrilling story, in
which romance is very largely bound up.

Another very attractive film, with Priscilla
Dean as "Cigarette" in "Under Two Flags," will
be screened from Wednesday to Saturday. This
great film should also draw crowded houses.

BACON TRADE DISPUTE.

There was no change to-day in the situation

hand. An inquest will be held this evening at
