A special meeting of the Limerick County
 Council is convened for Saturday next at 11
 o'clock to consider the question of making arrange-
 ments for the collection of the rate in Glin
 district.

A cow, the property of the Very Rev Canon
 Donnellan, P P, Ballintubber, has given birth
 to two calves for the third year in succession.

McCarthy's, O'Connell street, the illu-
 address presented by the citizens to the M
 Dr Keane on the occasion of his elevatio
 See of Limerick. The address, which is
 in a handsomely oak carved frame, was
 by Miss Mary O'Neill, assistant art teache
 Municipal Technical School. It is a very
 piece of work—the lettering being deftly ex-
 while the border is taken from the Book
 and is rich and ornate.

THE PRICE OF BREAD IN ENGL

At a meeting of the Incorporated Soc
 Wholesale and Retail Bakers held yeste
 London, the question of the price of bre
 considered, and although it was g
 recognised that the present price o
 warranted an increase of one penny per q
 (4lb) loaf, it was decided that in view of
 settled condition of the market that the
 increased by 1/3—that is to 9 1/3d—on the 11
 It is understood that a further meeting
 held in the near future.

HEAT WAVE IN AMERICA

A New York message says:—All the
 States are suffering from a heat wave accor
 by unusual humidity. Many persons fat
 the streets of New York on Tuesday. Th
 are spending the nights in the parks and
 benches, which have been thrown open
 public.

SCIENTISTS IN CONGRESS

The opening meeting of the British Assoc
 at Toronto, was held yesterday, when
 General Sir David Bruce delivered an illu
 address on "The Prevention of Disease."
 A message from the Prince of Wales c
 good wishes for the success of the meeti
 referred to his interest in one of the subj
 discussion:—The educational training of
 girls in Britain for life overseas.
