Bruff v Ballingarry. At Kilsfinane—Senior soft- ball championship. Limerick City v Kilsfinane.

The 4 h Battn. National Army and Ballingarry Clubs, having paid their affiliation fees, were admitted members of County Board. Several notices of motion for next meeting having been handed in, the meeting adjourned.

Dublin's recent visit to Limerick was very successful. W Fetherston (hard-ball champion of Dublin) and R. McGlin (Clontarf) beat J Kirby and J Ryan (Limerick) on the score 21-12, 18-21, 21-9, 14-21, 21-14. It was a very good exhibition, which greatly pleased the big crowd in the stand.

The senior double-handed soft-ball championship of Ireland, played last Sunday at Tomgraney, resulted in a win for Tipperary (J. Hackett and M Hasset, Nenagh) over Clare (Thos Hogan and Patk Egan, Tomgraney) by 21-9, 21-8, 21-8, 21-4, 21-2, 21-8. Mr J Kelly, hon. sec. Munster Council, I.A.H.A., refereed.

A meeting of the Munster Handball Council, I.A.H.A., will be held in Limerick on Sunday, August 2nd, at 1 p.m. (new time).

## THE DERRYKNOCKANE ESTATE.

In connection with the division of Derryknockane estate, a deputation attended the meeting of the Limerick County Council on Saturday, headed by Messrs Clancy, T.D., and McCoy, on behalf of the plowholders, labourers, and uneconomic holders, and represented to the Council that only one labourer out of 50 got any land in the division, and that two employes of a city firm, earning substantial wages, got over 40 acres. The deputation strongly objected to the division as made by the Inspector, and urged the Council to press on the Government the necessity for a re-inspection of those lands with the object of having a more equitable division made.

The Council were in entire agreement with the views of the deputation, if the facts were as stated, and the secretary was directed to immediately communicate with the Estate Commis- sioners for a re-inspection.
