a by the Minletry of Industry and to the scheme formulated by the ssociation to advertise the amenities in the Irish Free State as health or conte. This body is concerned)vement that interests all parts of ry, and it, therefore, behoves local s to rally to Ita support to the tent. For il local scenic attractions ately advertised, as they may be if te is struck, there can be no doubt results to a particular town or ould far more than counter-balance nditure by an influx of visitors, who of advertising would be induced to particular district, which otherwise passed over. The scheme of the on is one that should commend all parts of the country, and the is to make a start next month in on of next year's tourist traffic. operators have taken films of various f interest in the Matropolis and and the intention is to make a tour me purpose through the Free State. limerick, Kilkee, the Clare coast, and Connemara. These views will n ou the screen in thestree and houses across the Channel and in , so that the varied and charming of this country will in the future, at te, be far better known to tourists e at present.

SHANNON SCHEME.

out of the decision of the Limerick Council to invite Mr P McGilligan, for Industry and Commerce of An to interview the Corporation in reference annon Power Scheme, Mr W. M Nolan, sk, has received the following communii Mr McGillgan's Secretary :

ABA - I am desired by Mr McGillgen to dge receipt of your letter of the 23rd

ply, Mr McGilligan desires me to express at not writing you sconer, and to state nation that he had hoped to have the with Mesers Siemens Schuckert signed s ago, and that he might then have been ion to visit Limerick. Unfortunately illigan's hopes did not materialus, and hare that his other business engagements. ent any visit to Limerick in the near

seGilligan trusts that your Council will is importance of getting the contract ers Slamen Schuckest signed as soon as and that any delay, even for the very are numerous bookings in the hotels from the North of Ireland and England. There will undoubtedly be a very fine Show, as there are 700 entries, which constitute a record for any Show outside Dublin. The judging will begin at eleven

The price of admission will be 2: before two c'clock, after which it will be 1. Sixpence for ohildren.

FATAL ACCIDENT AT CAHERDAVIN.

A youth named Michael Byrne, aged 16 years, employed as a milk boy, sustained fatal injuries as a result of a walt coll spring on him on Monday evening at Caberdaviu. The decessed with other boys was playing amid the ruins of the derelict B.I.C. barraoke at Caherdavin, some two miles from the city, when is stated, a portion of an overhanging wall fel', Byrne getting the full force of the falling masonry. While being conveyed by Guards Murphy and Parrel to Barrington's Mospital be succumbed to his ir juries.

An inquest was held this evening at Barring. ton's Hospital by Mr Coroner McNisce. verdiet of death due to fracture of the skull was

returned.

DROWNING ACCIDENTS.

A youth and a man were drowned in Ireland yesterday, and several other persons in various parts of the country who were in peril were resoned.

One of those who lost his life was a man who went to the assistance of two young female bathers.

They were saved, but he was drowned

Yesterday evening two young women, while bathing near the baths in Lee Fields, Cork, got into difficulties. A man, whose name has not transpired, who was walking along the river bank, went to their assistance, but he, to turn, got into difficulties. Two other mea, one of whom is Mr Dinan, a teacher at the Christian Brothers' College, jumped in to the assistance of those in the water. The young women were resoud with difficulty, but the first man who went to their resece was drowned.

A youth named Patrick Heavy narrowly escaped drowning at the Quay, Carrick on Shannon, on Sanday. While fishing he looked around to speak to another young fellow, and fell late the water, He was rescued by Mr Joseph Murray, Cordrehid,

who was coming to the town in his boat,

LINERS AT COBH.

Cobb, Saturday.—The North German Lloyd steamer "Stuttgart," with mail and passengers from Biemen, via Southampton, arrived here at 6.30 p.m. Having embarked passengers and despatches, she proceeded to New York at 9 20 p.m. All well.

Cobh, Saturday .- The Hamburg-American Line steamship "Thuringia" arrived here this evening. and having landed a number of passengers pro-

ceeded for Hamburg. All well.

The following were amongst the passengers on the "Thuringia" from New York :- Honorable Victor L Berger, M.O. of Milwaukee, Socialist member of Congress, and recognised leader of the Socialist party of America; another prominent legi-lator was Thomas Dancan, Socialist member of the Wisconsin State Legislature, a d Scoretary to the Mayor of Milwaukee; also Rev H P Smyth, Editor of the "Chicago Citiz u." and prominent in religious circles; John J. Keating, Deputy,

SOPPING IS-MESSOLEMENTS IN LENGTH which were previously allowed gree and Harbour Boards generally owe to the Association.

It was decided that the increased amounting in all to £15 a year, shou

SHANNON SCHEME MODE

It was decided on the suggestion write to Messis Siemens-Schuckert they should if possible arrange that the Shannon Scheme which had been the Dublin Horse Show ground brought to Limerick

It would, in Mr Ryau's opinion interest locally, and would give better idea of the scheme than co-

from maps or plans.

The Secretary said that M representative in Ireland would at the end of the week, and the mi referred to him.

The Mayor said the arrangem Mesers Simens and the Governmen fire at the moment. He had a l McGilligan, Minister for Industry a to the effect that there was a crux.

Secretary-Which will be settled Chairman-That is satisfactory. The Becretary reported that sinc 11 coasters, 7 traders, and 2 overse arrived in port.

THE SEANAD ELEC
