## IS ENDOWED SCHOOL.

need in the advertisement inserted  
our columns, the Villiers Endowed  
Boys and Girls, Henry Street, Lime-  
open on Monday, 7th September.

re-opening a new regime begins. On  
of the late Mr J Johnston, B.A.,  
admaster of the Villiers Boys' School,  
was decided to amalgamate the boys'  
departments, as making for higher  
other as regards discipline and instruc-  
experiment of a mixed secondary  
been very successfully tried in the cases  
first-class Irish schools; and it is ex-  
pected that similar success will follow  
introduction of the system locally.

lers Endowed School is the only  
secondary school within the limits  
of Limerick and Clare recognised  
Ministry of Education. It is of the im-  
portance that it should not only be  
maintained but increased in usefulness. A  
delegation recently to representative  
for financial assistance has met with a  
success. The Governors are now in a  
position to develop the school in several useful  
directions.

Their success, however, depends  
on the number of pupils attending, and the  
efficiency of their attendance. The co-  
operation of the public is essential in this matter.

Mr Hutton, M.A., T.C.D., has been  
appointed Headmaster, with Miss L. Boyd,  
as Vice-Principal. Special attention  
will be given to the modern side, and to commu-  
nication. Mr Hutton is well qualified to look  
after the athletic interests of the pupils. There  
will be special classes in music, drawing, needle-  
work, physical culture, besides the ordinary  
curriculum of a secondary school.

We regret to record the death of a highly  
esteemed Clare gentleman, Major Frederick  
George Cullinan, which took place on Thursday at  
the County Infirmary, Ennis, at the age of 66  
years. The deceased gentleman had for thirty  
years been Under Sheriff for the County, and in  
troubled times discharged the difficult duties of  
his office in a manner that caused no resentment,  
as he was ever courteous and considerate in all  
his dealings, and personally was very popular  
with all classes in his native county. He retired  
from office during the present year. His demise  
is very much regretted, and there is sincere  
sympathy with his relatives in their bereavement.

Union, Garryowen, Beative and Wanderers Foot-  
ball Clubs, and Messrs P.M. Bro.
