THE DOCKS LINK RAILWAY.

At the meeting of the City Branch of Camann na nGaedheal last night, the position relative to the proposed construction of the line of railway to connect with the docks was further considered. In view of the great possibilities that lie before Limerick, it was felt that the necessity for this line of railway was imperative, and that the proposal should not be dropped. The Branch decided to actively continue their exertions, with the view of having the construction of the line undertaken.
