## STOMACH AILMENTS

Eminent Medical Men declare half the troubles  
 humanity suffer from arise from badly digested  
 food, which cannot be assimilated owing to excess  
 of harmful acids. These acids cause Indigestion,  
 Heartburn, Wind, Palpitation and Pain.

Antigesta is an antacid and food corrective of  
 proved merit. It quickly neutralises harmful  
 acids, and prevents fermentation. The first dose  
 of this wonderful world-famed remedy gives  
 instant relief in all Stomach Ailments, and it costs  
 less than a halfpenny.
