Special Weekly Dairy Market.

Tuesday, February 8th —Heavier numerical
register than last week, including a number of
useful heifers, there was a good attendance.
Proceedings opened on active lines, buyers soon
settled down to business, with a firm demand, and
keen to purchase heifers showing a sign of "milk",
these met sharp competition and made top rates.
A quick selling trade for promising heifers; the
average price of lots marked an increase on last
week, there was steady satisfactory selling trade
throughout the day. Best heifers, £20 to £22 10;
promising, £18 to £19 10s; ordinary, £15 to
£17 10s; cows, £11 15 to £17.—Wm. B. Fitt,
Auctioneer.
