

### CITY BOARD OF HEALTH.

Mr J. Reidy, B.C., presided at the City Board of Health on Thursday evening. There were also present:—Alderman Henihan, Messrs McNaamara, White, and O'Callaghan, B.C.'s, with the officials.

Contracts for the coming six months were considered.

For oil the Cadena Company were accepted on a vote, the Irish American Oil Company tendering at the same price, 11d per gallon.

Tenders for tea were received from Mr E. J. Fitt and Mr Michael Collins, and after some discussion they were ordered to be sent to the tester unaccompanied by price.

The Secretary (Mr Quilligan) said that on one occasion the Department's tester had a sample of the tea used in the Institution, and he classed it as having been up to the contract standard or maximum price.

Mr Barry (House Steward) agreed, and said they were at that time getting it at 2d less than the maximum price, and thus saved 10s per week.

Tenders for various supplies were received from Messrs E. G. Fitt, O'Connell street, and Wm. B. Smith, Patrick street.

Selection was deferred to next meeting, by which time the maximum prices would have been received from the Department.

A letter was read from the Shandon Castle Margarine Factory stating that they had been declared contractor to the Board under the combined purchasing scheme.

Mr Thomas Keane, Home Assistance Officer, wrote applying for an increase of salary.

Replying to questions, the Secretary said that Mr Keane's salary worked out as follows—£153 from the City Board of Health; £34 from the Corporation, and £51 from the County Board of Health, making a total of £252. Proceeding, the Secretary explained that the notice of motion for an increase had been on the books for the previous meeting, but was adjourned to enable him (Secretary) to get full particulars as to Mr Keane's remuneration.

Ald. Henihan asked if Mr Keane had not been appointed by the old Board of Guardians.

The Secretary said Mr Keane had been a city officer some years ago, and his sphere of duties embraced the city and rural district. When the amalgamation scheme came into operation he was retained for the city. They would not find many officers who had so much work to do. Alone he had the whole city to look after. In other places the Home Assistance Officer had a superintendent to assist him, but that was not so in

### DEATH OF REV M. MCCOY, P.P., ARDPATRICK.

The death occurred at the Parochial House, Ardpatrick, last night of the Rev Mortimer McCoy, P.P., in his seventy-fifth year, and after a rather brief illness. The deceased clergyman was a native of the parish of Kilecoleman, and was ordained nearly fifty years ago. He ministered as curate in St. Munchin's and Ballingarry, where he spent over twenty years. In 1918 he was appointed by the late Bishop Hallinan to the pastoral charge of Ardpatrick in succession to the late Rev. T. Graham, P.P. Father McCoy was a brother of the late Rev. Jas. McCoy, P.P., Bulgaden, and of the late Mr. Richard McCoy who was Lord Mayor of Dublin in the early nineties.

### PAVILION AT MARKETS FIELD.

The Garryowen Football Club are to erect a handsome and commodious pavilion, designed from the Olympia Buildings, in the Limerick Markets enclosure. The structure, which will be 45 feet long and 25 feet wide, will be in cement concrete, with reinforced concrete roof, on which seating accommodation for Club players will be provided. The building will have up-to-date accessories as regards dressing-rooms, washing and sanitary arrangements, and a central Club room for meetings and lectures. The cost will, it is understood, run into four figures, but the Committee have had very little difficulty in procuring the necessary guarantees. The Club is to be congratulated on its enterprise.

### A.B.C. CARNIVAL.

Gratifying success is attending the Fete being held at Belfield under the auspices of the Athlunkard Boat Club. It will be seen by advertisement that to-morrow (Sunday) night the draw for the £50 prize takes place. This will, undoubtedly, mean a very big attendance at Belfield, as every ticket purchased during the week entitles the holder (who must be on the grounds), to participate in the draw.
