protective body.

The outgoing officers and Council were re-
elected, with the addition of the name of Mr
J. Grant, Limerick.

Subsequent to the meeting a dinner was
held at Cruise's Hotel. To-day the party
visited the Shannon Scheme.

No notice or invitation was sent, as far as
we are aware, to the local or provincial
Press to attend the proceedings. This
seems rather strange, having regard to the
great interest taken in the Shannon Power
Scheme and its possibilities by the citizens
of Limerick and the people of Munster
generally. In this respect the Dublin Press
would appear to have been alone favoured
by the attention of the Electricity Supply
Association.

IMPORTANT TO DANCERS.

Miss Phyllis Locke has returned from London's
premier Dancing Academy, and has resumed
private tuitions in the Modern Waltz, Fox Trot,
and Charleston.

A special feature of her course is the fascinating
Yale Blues, the newest dance of the season, as
interpreted and taught by Signor Santos Casani,
"London's teacher of teachers."

There is only one way of dancing—the Casani
way. Learn the correct method from Signor
Casani's Certified Teacher.

Thoroughness, deportment, and style guaranteed.
For further particulars apply at No. 1 Quinlan
Street, the Crescent, Limerick. [—]

FUNERAL OF REV. J. HICKEY.

The funeral of the Rev. John Hickey,
C.C., of the Diocese of Dublin, son of the
late Mr James Hickey, Ballinatin, Knock-
nagoshill, Co. Limerick, took place to Dean's
Grange Cemetery on Tuesday, after Solemn
Requiem Office and Mass at St. Paul's, Arran-
quay, Dublin. There was a large attendance
of the clergy and lay mourners.

**INSURANCE COMMITTEE SECRETARY-
SHIP.**

The United Trades and Labour Council
has written to the Corporation relative to
the vacant position of secretary to the
County Borough Insurance Committee.
They suggest that steps should be taken to
have the post filled, and recommend a
member of one of their guilds, with a know-
ledge of the insurance business, for the
appointment.

Miss Nestor, Patrick street, has returned from
London, and is showing exclusive models in Fur-
trimmed Coats, Day and Evening Gowns, Furs,
Condor, Reslaw, and Henry Heath Hats in every
shade and fitting.

It is rumoured in Waterford that Messrs
McDonnell's margarine factory may be re-
opened within the next fortnight or three
weeks.

The findings of the Tariff Commission
will be made public shortly after the Dail
reassembles, and the belief is persistently
held that the Commission will favour a tariff
on imported margarine, thus enabling the
local factory to restart operations.

LIMERICK GOLF CLUB.

The "O'Mahony Cup" Competition.

The above, which brought to a close the
long series of Cup Competitions played
during the season 1927, was carried through
on Sunday last over the links at Bally-
clough. The competition was confined to
members whose handicap was 18 and up-
wards, and was keenly tested. The weather
was fine, but a strong wind made low
scoring a matter of considerable difficulty.
